2025 was another very busy year at Aldersgate. A full calendar kept us busy, but most importantly people were able connect with God on these beautiful and peaceful grounds. It is a privilege and a joy to get to serve so many groups from the Northwest that make their way to Aldersgate every year.

The fall saw a number a projects get completed by 10 S.O.W.E.R. Couples that were here in September! The tall sides of the gym were re-sided with durable hardi-plank, A-Frame 9 was remodeled, and our playground got re-done! We also started the remodel of the west bath house that serves the cabin village and will have it up and running by the beginning of May 2026. This was an overdue project that our guest groups are really going to appreciate!

Summer of 2026 calendar looks good again! We are excited about a busy summer season and all the lives that will be impacted on these grounds during the summer months!

Serving Him,  
Eric Mueller, Camp Director
